

## June 11<sup>th</sup> Dock Crawl

---

Sponsored by Lake Murray Yacht Club

Come join your fellow slip mates in some refreshments, fun and camaraderie on the following docks during the designated time periods. Please adhere to the schedule to allow your hosts and hostesses to participate in the activities at the other dock. This progressive mixer is open to guests as well as members, to meet, greet and appreciate the social aspects of the Yacht Club.

Please be mindful that the Club members on these docks are solely hosting this party, and deserve our utmost gratitude for their hospitality and generosity.
